

KTM DUKE 890 R

Still agile, but with more punch, the KTM 890 DUKE R takes all the things we love about the KTM 790 DUKE and turns it up to 11. This is a no-compromise mid-weight naked bike, equally at home on mountain roads as it is on the race track, delivering more power, more torque and more dukeness than any parallel twin that has come before.

Technical details

Seat height / Ground clearance:	834 / 206	
Weight:	166	
Fuel tank capacity:	14	
Fuel consumption (l/100 km):	4.74	
CO2 emission (g/km):	110	
Engine capacity cm³:	890
