

KTM ADVENTURE 790

The 2023 KTM 790 ADVENTURE is designed to make 2-wheeled adventure travel easier. Capable, comfortable, and cost-effective, it not only ticks all the boxes of what an adventure machine should be. Instead, it breaks out of the box altogether. Built around a torquey parallel twin-cylinder powerplant, and boasting a class-leading electronics package, it's the perfect choice for riders looking to chase the horizon.
