

KTM DUKE 125 | 2026

The KTM 125 DUKE might only boast 125 cc, but rest assured - this machine is 125% DUKE! Built with the same NAKED ethos as its bigger brethren, the 2026 KTM 125 DUKE boasts a muscled-up attitude, an excellent suspension package, LED lights, riding tech, and street-ripping, turn-gripping aggression.
