

KTM EXC-F 250 SIX DAYS | 2024

The KTM 250 EXC-F SIX DAYS might have the smallest engine in the KTM 4-stroke stable, but it's no little fry when it comes to hitting the hard stuff. An all-new lightweight chassis, an insane rev limit, and confidence-inspiring rideability make it a true enduro hero. All it takes is one look at its impressive trophy cabinet - and equally impressive sales records - and one thing is certain; the 2024 KTM 250 EXC-F SIX DAYS means business.
