DUKE 790 DUKE | 2027

Cut on Command. The 2027 KTM 790 DUKE does not wait. It responds. Every input becomes immediate output. Without hesitation or delay. Intention is execution. Known for its razor-sharp, apex-hunting agility, the 790 DUKE has taken another leap forward towards sheer, unmatched rider-focused control.

Boasting an uncompromised 799 cc LC8c parallel twin motor nestled into one of the lightest and most compact chassis around, the 2027 KTM 790 DUKE is not only sharper, but more striking in looks, smarter with the latest electronics, and polished with mid-weight, Naked authority.
