KTM
SX-E SX-E 5 | 2027

The **KTM SX-E 5** represents the latest generation of advanced all-electric mini-crossers, aimed at both beginner and competitive junior racers. Setting the benchmark in adjustable ergonomics, the KTM SX-E 5 is a high-quality, real-world READY TO RACE alternative to the petrol-powered 50 cc engine. The KTM SX-E 5 is not a toy: this is a bona fide platform for juniors who are finding all the joys of having a throttle in their right hand without the complications of emissions, complex maintenance, and noise. Whether riding, practicing, or racing, the fresh KTM SX-E 5 is both everything they ever wanted and everything they'll ever need - proudly designed, developed, and produced in Austria.
